Talk to Camera or Voiceover	Script	Visuals
Opening		
Talk to Camera	Hi, I'm Zoey. Today, I'd like to take you through my Flight Journey, highlighting my key parts, Taking-off, Levelling-off and Landing . I'll explore these three parts which will help you learn about who I am and my aspirations.	keywords
Key point 1: Taking-off — empathy		
Talk to Camera	First, let's take off from my departure point at the local shelter , where really helped me grow my empathy by volunteering there.	keywords
Voiceover	I organised weekly activities for autistic disorder children, helping them with homework and playing games.	image of mentoring
Talk to Camera	These experiences taught me the importance of empathy and giving back to the community. They shaped my goal to build inclusive environments where everyone feels supported.	keywords & image
Key point 2: Levelling-off — determined		
Talk to Camera	Next on our flight is the Levelling-off part, I'm determined.	keywords
Voiceover	In my primary and secondary school, I was trained for speed swimming , while balancing my schoolworks. This pushed me to my limits both physically and academically. Overcoming injuries and tough classes taught me resilience and perseverance.	Images of swimming
Voiceover	Although I no longer compete in speed swimming, it became one of my hobbies and I still do it every week!	Swimming records images
Talk to Camera	This determination drives my ambition to lead projects that inspire changes and foster a compassionate community	keywords
Key point 3: Landing — exploration		
Talk to Camera	The final part is landing at destination X, which stands for the unknown point. I explore different places through travel and technology .	keywords
Voiceover	My curiosity about different technology led me to develop a mobile app in high school. I even created a gaming app prototype for children with autism. Also, as an aviation enthusiast, I know about the difference between planes with every main model number from Boeing and Airbus.	image of mobile apps/prototypes
Voiceover	At the same time, my love for landscapes and cultures enriches my understanding of human interaction. As a foodie, I try traditional dishes wherever I go. I've been to Taiwan, Indonesia, & Australian, enhance my ability to connect with diverse people.	images of foods, culture, landscape
Talk to Camera	These explorations at destination X fuel my desire to innovate and connect with others, inspiring me to pursue a career that merges technology with social impact.	keywords
Ending		
Talk to Camera	In the future, I plan to explore more destinations as I'm taking more flights. I want to explore new realms of innovation. I'll lead projects that inspire change. My goal is to foster a compassionate community. My aspirations are Innovation, Inspiration, and Community.	keywords
